

BACKSTORY: Onorabilu Ignaciu Mauro Zgeseanu III

Initial stats rolled: 16,14,12,12,11,10,10,9,7

Initial Social Status: SS7 - Nobility.

AGE: 12

Life Event: Deadly Secrets

You discover potential leverage over one of the most powerful Great Houses in the region. You cautiously investigate the veracity of these rumours.

Results: Major Fortune

You gain leverage over a very powerful individual. You may call on this individual to negate the results of a single, future life event.

AGE: 15

Life Event: Lively Debate

You are drawn into an argument about fundamental principles by a traveling scholar en route to a major university. You are challenged to a public debate.

Results: Minor Fortune

Your hard knowledge and your debating skills are both tested. Gain a free roll in either the Arts or Protosciences skill field

Faction: Admitted to the Grain Bank of Bulostioi with title: Clerk.

AGE: 18

Life Event: A Game of Riddles

Alone in the wilderness, you meet a curious person who challenges you to a game of riddles, which you accept. Are you clever enough to best them?

Results: Minor Fortune

The flurry of brain-teasers stretches your mental muscles. You gain +1 Concentration.

Faction: Promoted to Rank 2: Accountant in the Grain Bank of Bulostioi.

AGE: 21

Life Event: Material Differences

A collapse in the supply of materials critical to your work demands a rethinking of the way you produce your goods.

Results: Minor Misfortune

It costs a lot of time and energy to learn to work with new materials, only to get back to where you started. Suffer -5xp.

AGE: 24

Life Event: Feed Them Culture

Following a bad drought, food shortages and famine set in. Officials call on all entertainers to do their best to keep people distracted.

Results: Major Fortune

Standing in front of a borderline hostile crowd, you are forced to improvise to win them over. Gain +1 to a random Social stat.

AGE: 27

Life Event: The Middleman

You have an opportunity to take a small percentage of a large deal by acting as a middleman between an opportunist and no money, and a wealthy noble with modest expectations.

Results: Major Fortune

Between the noble and the opportunist, you need to learn to be who they want you to be in order to close the deal. Gain +1 to a random Social Stat and +\$1000

AGE: 30 - You discover all kinds of new ways to make yourself feel truly exhausted. Suffer -1 to Stamina.

Life Event: Patrons of the Arts

A symposium is to be held at a regional Academy, and you have an opportunity to present your work in front of artists, scholars, and patrons.

Results: Minor Fortune

No one takes notice of your own work, but you find ample opportunity to deeply examine many amazing works on display. Gain +1 Concentration

Faction: Promoted to Rank 3: Bursar in the Grain Bank of Bulostioi.

AGE: 33 - You discover all kinds of new ways to make yourself feel truly exhausted. Suffer -1 to Stamina.

Life Event: Supply and Demand

Conflict along the border between two regions leads to massive upheaval in supply chains, creating an opportunity for anyone who can meet the demand for necessary commodities.

Results: Minor Misfortune

The conflict ends abruptly, and trade resumes leaving you in possession of devalued goods you are forced to sell at a loss. Lose \$1000.

AGE: 36 - You discover all kinds of new ways to make yourself feel truly exhausted. Suffer -1 to Stamina.

Life Event: The Voice of the People

You are swept up in a popular uprising that sweeps through your region - people turn to you for leadership and inspiration.

Results: Minor Fortune

You pressure different groups with varied interests to sit down and negotiate - minimizing bloodshed and bringing an end to the conflict. Gain a free roll in the Political skill field.

AGE: 39 - You take better care of yourself, and it helps. Gain +1 Stamina.

Life Event: The Merchant of Ponzi

A successful and widely travelled merchant offers you a chance to get involved in an exciting, but complex business opportunity.

Results: Minor Fortune

You learn from the best; gain a free roll in the Business skill field.

Began Adventuring:

Available assets: \$100000

Faction:

You take leave from the Grain Bank of Bulostioi retaining your nominal rank.

If you remain available for contract work, or to be recalled to active service, you can hold the freelance title Adjustor (Bursar).
